Amendment No. 4 to Registration Statement on Form F-1

Prospectus Cover Page, page i

1. Provide a description on your prospectus cover page of how cash is transferred through your organization and disclosure regarding your intentions to distribute earnings or settle amounts owed under the VIE agreements. State whether any transfers, dividends, or distributions have been made to date.

Prospectus Summary, page 4

2. We note your disclosure on 4 and throughout your filing that you control and receive economic benefits of Beijing Sentu's business operations through VIE agreements and that those agreements are designed to provide you with effective control over the VIE. We

also note the disclosure that you are the primary beneficiary of the VIE. However, you or $\,$

your investors do not have an equity ownership in, direct foreign investment in, or control $% \left(1\right) =\left\{ 1\right\} =\left\{ 1\right\}$

through such ownership/investment of the VIE. As such, when describing the design of

the VIE agreements and related outcome, please refrain from implying that the $\ensuremath{\mathsf{VIE}}$

agreement is equivalent to an equity ownership in the business of the

VIE. Any
references to control or benefits that accrue to you because of the
VIE should be limited to

and clearly describe the conditions you met for consolidation of the VIE under $\mbox{U.S.}\xspace$

 $\mbox{\sc GAAP}$ and your disclosure should clarify that, for accounting purposes, you will be the

primary beneficiary. In addition, your disclosure should note, if true, that the agreements

have not been tested in a court of law.

3. We note your disclosure that "We and our VIEs have been closely monitoring regulatory

developments in China regarding any necessary approvals from the CSRC, the CAC, or

other PRC regulatory authorities required for overseas listings, including this offering,"

and "Although we believe the approval of the CSRC or other equivalent $\operatorname{\mathsf{PRC}}$ government

authorities will not be required in connection with this offering under current PRC laws,

regulations and rules, we cannot assure you that the regulators in China will not adopt new $\,$

laws, regulations and rules or detailed implementations and interpretations or will not

subsequently require us to undergo the approval procedures and subject us to sanctions."

Please amend your disclosure to disclose, if true, that you may inadvertently conclude that

such approvals are not required, and any consequences to you and your investors if you $% \left(1\right) =\left(1\right) +\left(1\right) +\left($

were to do so.

Our Challenges, page 7

4. In this section, please provide a specific cross-reference for each risk listed; cross-

referencing the risk factors generally is not sufficient. Please also amend your disclosure $% \left(1\right) =\left(1\right) +\left(1\right)$

to clearly identify these challenges as "summary risk factors," if applicable. See Item

105(b) of Regulation S-K.

Condensed Consolidated Financial Schedule, page 15

5. Your consolidating schedules include columns for "The Company and its subsidiaries

other than the VIEs," and "the VIEs." It is not clear how these column headings $% \left(1\right) =\left(1\right) \left(1\right) +\left(1\right) \left(1\right) \left(1\right) +\left(1\right) \left(1\right)$

correspond to the organizational diagram on page 4. Please revise to include separate $\,$

columns for parent, subsidiaries, and VIEs and their subsidiaries to distinguish between $% \left(1\right) =\left(1\right) \left(1\right)$

entities outside and inside of China. Please also revise the introductory paragraph to the

consolidating schedules to explain each of the revised column headings and how they

correspond to the organizational diagram.
